HOUSEHOLD HAZARDOUS WASTE DROP-OFF DAY

Councilmember Guy R. Marlette and Supervisor Satish B. Mohan are reminding residents that May 9th is the Household Hazardous Waste Drop-Off Day at Erie Community College North Campus from 9:00 am until 2:00 pm.

Items that can be brought to the site for proper disposal include pesticides, fertilizers, pool and household chemical/cleaners, oil-based paints, spray cans, paint thinner, stripper and solvents, batteries (lead acid and rechargeable), oil, gasoline, kerosene, antifreeze, thermometers, thermostats, propane tanks and cylinders.

“This is a safe and environmentally friendly way to dispose of these dangerous and often toxic items”, said Marlette. “The Town of Amherst is honored to be the host community for this very important event” added Supervisor Mohan.
