

COUNTY OF ERIE

CHRIS COLLINS
COUNTY EXECUTIVE

ANTHONY J. BILLITTIER IV, M.D., FACEP
Commissioner of Health

June 29, 2010

Dear Daycare Worker:

The Erie County Department of Health is partnering with the Office of Child and Family Services to provide vaccinations to daycare workers, families of children and children enrolled in daycare.

The vaccines offered include **Tdap** (tetanus, diphtheria, and pertussis), **pneumonia** and **H1N1** (Swine Flu). These vaccines will be provided free of charge to persons who meet the immunization recommendations listed below.

Tdap (tetanus, diphtheria, and pertussis):

- Daycare workers under the age of 65 who are likely to be in contact with infants (children less than 12 months of age)
- Family members of infants (parents, grandparents, siblings, and any individuals between the ages of 11 through 64 who will have close contact with infants)

Pneumonia Polyvalent (pneumonia):

- Person 65 years of age and older
- Persons under 65 years of age with chronic medical conditions (e.g. diabetes, asthmas, weakened immune system, etc.) or those who smoke

H1N1 (Swine Flu):

- Anyone who wishes to protect themselves from H1N1 disease
- Children who are under 10 and received only one dose and need the recommended second dose

Multiple vaccination opportunities will be available at various locations throughout Erie County. These locations will be open to anyone meeting the above recommendations for these vaccinations. Please select the location/date most convenient for you.

Please see the attached registration form for the detailed schedule. Each employee wishing to participate must complete and return the attached form so that sufficient supplies will be available at each location.

Sincerely,

Anthony J. Billittier IV, MD, FACEP
Commissioner of Health

**Erie County Department of Health
Community Vaccination Initiative**
