

Amherst Police Department Joins the National Crime Map

Citizens now have free access to official, timely crime data through the CrimeReports website and iPhone app

Amherst NY 6 July 2010

Have you ever seen flashing red lights in your neighborhood and wanted to know what was going on? Do you want to gauge how safe your neighborhood really is? Now you can, through a new partnership between the Amherst Police Department and CrimeReports, creators of the National Crime Map, at www.CrimeReports.com.

Providing reliable, timely information to our citizens is one of the Department's top priorities. And partnering with CrimeReports gives us the ability to keep the public informed on a regular basis as to what is going on in Town, and in the city of Buffalo. The public can access the crime map 24 hours a day through the above listed website or through the CrimeReports iPhone app, available as a free download in the Apple iTunes store. The new service even lets local citizens sign up for free customizable email alerts, so they can stay on top of crime in their neighborhood.

The Amherst Police Department is joining a list of over 850 other law enforcement agencies of all sizes across North America who are sharing their crime information with the public through the map, like Baltimore, Boston, Buffalo, San Jose, San Francisco, Portland, Washington D.C., Los Angeles County, and more.

You can access your local crime map and sign up for daily, weekly, or monthly email crime alerts at www.CrimeReports.com or through the Amherst Police Department's website.
